### NO TIME TO QUIT

The Nome Nugget, of which Col. J. F. A. Strong, than whom no editorial writer in the great west is more able, is the editor, is making an heroic fight for the extension of American principles of government to Alaska, and he is thoroughly convinced that the present is no time to be discouraged or to cease in the fight. The Nugget, commenting upon the situation, says:

"Because the congress of the United States failed to give Alaska a delegate and refused to recognize our rights to govern ourselves, there is no reason why Alaskans should be discouraged. All the territories which have reached the dignity of statehood have necessarily passed through all the formative stages before the goal was reached. Alaska has been rebuffed many times and with each rebuff taxation has been increased rather than lessened, but somehow, in spite of it all, the territory has steadily, if slowly, forged to the front. Alaska in time will get a delegate in congress, perhaps two or three. In time the people will have the privilege of enacting legislation for themselves and suitable to the needs and conditions of the country. This time can be materially hastened by the people of Alaska themselves. The sentiment in favor of self-government can be fostered and encouraged. Only the Tories—the self-seeking interested individuals, who put self and selfish interests against everything else—are now opposed to it. The actual bona fide residents of Alaska are almost a unit in its favor. The Tory opposition is back by the foreign corporations, largely dominant in Southeastern Alaska. But their grip will eventually be broken and Alaskans will come into their own and they can hasten the time by acting in concert. Let the clamoring and demands for representation in congress and for territorial government never cease until their righteous demands are granted."

The democrats have selected Thomas Taggart, member of the national committee from Indiana, to conduct the election of his name. Mr. Taggart has been mayor of Indianapolis, and is regarded as a very skillful politician.

### HAIR TELLS CHARACTER

Color of Hair Said to Indicate a Person's Temperament

Many people believe that blonde or light hair denotes affection and dark hair constricts, a person without hair is not devoid of character; far from it. The disposition of the average bald-headed man is to show such solicitude for the welfare of others, that he neglect himself. A germ causes baldness. Prof. Sabouraud, of Paris, France, inoculated a rabbit with Dandruff germs, caused it to become totally bald in five weeks' time. To rid the scalp of these dangerous germs it is necessary to apply Newbro's Herpicide.

"Destroy the cause—you remove the effect."

Sold by leading druggists. Send 10c in stamps for sample to the Herpicide Co., Detroit, Mich.

### CERTAIN RESULTS

Many a Portland Citizen Knows How Sure They Are

Nothing uncertain about the work of Doan's Kidney Pills. There is plenty of positive proof of this in the testimony. Such evidence should convince the most skeptical doubter. Read the following statement:

D. D. Coffey, whose place of residence is at 488 East Thirtieth street, Portland, Oregon, says: "I have been a great sufferer from carbuncles or tumors for years. Every once in a while they appeared, not only one at a time, but broke out in different places, mostly on my arms or about my neck."

"I was treated by a physician and he stated that I would never get entirely rid of them unless I had them lanced and the core taken out. He operated on them and I was not bothered with any more until last fall, when one made its appearance. I came to the conclusion that my blood was out of order, and that the kidneys were not performing their functions right, and got a box of Doan's Kidney Pills, taking them as directed, and they did all that was claimed for them. On previous occasions when one appeared it was followed by others, but Doan's Kidney Pills checked them. About two weeks ago one broke out on my arm and I again resorted to Doan's Kidney Pills, and they prevented others from appearing. I can cheerfully recommend Doan's Kidney Pills, for I also know others who have used them with very satisfactory results."

For sale by all dealers. Price, 50 cents a box. Foster-Milburn Co., Buffalo, N.Y., sole agents for United States. Remember the name, Doan's, and take no substitute.
